Today's session was about how to prepare for an interview. This session was taken by Mr. Suraj Abraham. Session included many tasks and activities. And also it is about the communication skills, questions asked for an interview, how to behave in an interview, how to answer HR Interview questions.

Session on Public Speaking

15/02/2023

Rajagiri College of Social Sciences conducted the SEED session on public speaking on 15th Feb, 2023 at the Golden Aureole Hall for its first year BBA students at 2:30 PM. The session was hosted by the SEED coordinator, Mrs Preethi. The session began with a small game to get the students to break ice and be involved in the discussion. The losers of the game were made to give a brief introduction about themselves which should include something unique other than the cliché details. Four students interacted and the host encouraged them to relax and open up comfortably. After this, Preethi ma'am gave a detailed presentation on public speaking and its foundation and tips to avoid ear and speak confidently. She used examples from her own life experiences as a means to help understand students that the fear of public speaking can be overcome by constant practice. Then, Preethi ma'am conducted another game wherein students were asked to give the name of an item when a specific category is asked on rapid fire basis and those students failing to do so were supposed to speak on their best friend for at least a minute. Many students failed the task and were made to speak in front of the students. The students gave such beautiful responses that it was heart-warming to hear everyone speak about something they cherish so much. The session came to an end by another practice session on mock interview wherein, students were divided into pairs and where to roleplay as the interviewer and interviewee and switch roles as their turns are over. Then, students proposed the vote of thanks on a random basis.
